A UBURN FOR SALE !-THE OWNER WILL offer at public Vendue at the Court House door, in the city of Raleigh, on Monday, the 17th day of October, (if not previously disposed of at private sale,) his Farm, 9 miles east of Raleigh, situated on the Newbern Road, and former-ly well known as the "Busbee Place." It contains 400 acres of good free lend, with a fair proportion of wood land. On the premises is a very good Dwelling House, containing cloven rooms; there are very few country houses superior to it in the

county of Wake. There is a good kitchen, with several houses for negro quarters; a carriage house, Cider Press, Stables, Cotton Gin House, &c., and a Store House, at which a very respectable trade is carried on. There is a very large apple Orchard, near the Dwelling House; also a large number of Peach trees with Pear, Plum and Cherry trees.

There is a Post Office on the premises—the mail arriving three times a week via the Wilmington and Raleigh Road, and three times from the city of Raleigh.

The location of the building is in the midst of a grove of large Oak, high and healthy. It would be a delightful residence; or would answer for a Boarding House for persons desirous of spending their summers in the country.

The North Carolina Rail Road, about to be built, has been marked off to run within a hundred yards of the Dwelling.

A further description is unnecessary, as no one will probably purchase, without examining the premises.

EGGERT & CO., MANUFACTURERS OF GRAND, SQUARE AND UPRIGHT PIANO-FORTES, No. 222, PRATT STREET, BALTIMORE.—The Subscribers respectfully call the attention of the public to their Grand, Square and Upright Pianos, of 64, 64, 7 and 74 octaves, for which the Maryland Institute, for the promotion of Mechanic Arts, has awarded the first premium ever awarded by that institute for improvement in Grand and Square Pianos. These Pianos are in large sized, highly finished cases of Rosewood, WITH ENTIRE IRON FRAME, constructed in the most substantial manner, with all the modern improvements. The manufacturers use none but the very best seasoned timber, and materials of the choicest qualities, that enable them to warrant their instruments to stand any climate.

The Firm has a Patent Right action, operating on such principles that friction is almost entirely relieved of avoided, and their piano can therefore never get out of order. For chasteness of design, elegance of finish, as well as for fullness, richness, and beauty of tone, these Pianos rank foremost, and are equal to any made here or in Europe. Wherever these Pianos have been introduced, they have given, in every instance, entire satisfaction. We warrant our instruments to stand good for free years under careful treatment, and will receive them back and substitute others, any time within the first six months from the sale of it, if it shall not prove satisfactory.

MR. CHARLES CLIFFMILLER is our sole agent for the sale of our pianos in the State of North Carolina.
